Nebu Floating Shelf Set

FLT-039

Magically Transform Your Walls With Our Floating Shelf Sets: Tired of placing items horizontally? Try it vertically! Take advantage of the free space of your walls and cabinets and create versatile storage space to organize your fancy items. Floating shelves will give your messy living room, bedroom, bathroom and kitchen a rustic brand new look.

Simple and Convenient: These shelves can be drilled and fixed to your walls or cabinets to fix them on the wall and maintain their function. Solid and waterproof wooden plywood solid wood is used. The metal skeleton is made of 1mm DKP stainless steel sheet, produced using decorative electrostatic powder paint. Suitable for the surface color to be used; The shelves have not undergone any paint or varnish process so that you can paint according to your own taste and preference with the help of matte, metal or pastel craft paints. Simply designed Floating shelves not only enhance the aesthetic appearance of any contemporary home, but also provide a pleasant decoration to suit any room design or style.

Different Mount for Different Styles: Unique triangular design offers three different forms of unique appearance. Place these shelves above or below your TV units, next to your library shelf to suit your taste. Choose your favorite way to display shelves and create your own wall decoration.

More Sturdy and Easy to Assemble: Floating Shelf Sets consist of 3 shelves. Floating shelves are wider and more robust than others to safely store collectibles, photos, books, toys, artwork, awards, small plants and more. It is easy to install with all necessary hardware included; you just need to follow simple instructions and you can assemble in minutes.

Product Features

1- Major Shelf: Width 15 cm. xLength 42 cm. xThickness 1.5 cm.

2 - Middle Shelf: Width 15cm. xLength 36 cm. xThickness 1.5 cm.

3 - Small Shelf: Width 15 cm. xLength 30 cm. xThickness 1.5 cm.

General Information: Floating shelves are wider and more sturdy than others to safely store collectibles, photos, books, toys, artwork, awards, small plants and more. It is easy to install with all necessary hardware included; you just need to follow simple instructions and you can assemble in minutes.
